

Donna M. Blaszczyk

Owner & CEO
Blasz Construction, LLC
Feasterville, Bucks County

Education: Nazareth Academy High School

Primary job function: Executive; provides strategic alignment

Company description: Union commercial carpentry subcontractor

Best advice: My father used to say, "Never let the sun set on your anger." Settling disagreements immediately creates open communication and room for positive growth in any relationship.

Three words to describe you: Optimistic, resilient, compassionate

Primary professional/community affiliations: National Association of Women in Construction; American Society of Professional Estimators; National Association of Professional Women; Interior Finish Contractors Association; Mary Kate's Legacy Foundation, board member

What is your definition of a leader? "True leadership comes through one's ability to inspire and motivate through their example of commitment, integrity, morality and compassion. A great leader must be confident and decisive ... a transformer."
